## Show of Gratitude

**B**uckets containing gloves and other supplies on display during a Defense POW/MIA Accounting Agency (DPAA) MIA recovery mission in Vietnam's Quảng Bình Province on June 22, 2023.

Throughout the mission, Vietnamese workers supported the recovery team in many ways, including passing buckets to the screening station, screening

soil, resupplying fuel, and moving tools and equipment around the site.

As a show of gratitude, the recovery team provided buckets filled with gifts and supplies to all of the Vietnamese workers before they left the site.

More than 1,500 Americans remain missing and unaccounted-for in the Vietnam War. ♦
